RE: City of Hoschton- Wastewater Pump Station Site & Water Booster Pump Station Site
Amy Industrial Lane, Ernie and Lisa Stovall

Dear Jennifer:

The City negotiated an easement first with Stovall's in 2017 to construct a wastewater pump station to expand the sewer system into the southern section of the City. The easement was negotiated during the Kennerly administration with the compensation being three future sewer connections. In 2022, another easement was negotiated during the O'Leary administration adjacent to the original site for a water booster pump station. The compensation negotiated was three future water connections. More recently, as the water booster station was being finished, Mr. Stovall advised the City that they had been promised a wider access road into the rear section of the property in the southeast corner. Now, the Stovall's have been very cooperative with the City, but we cannot find anything about the width of the access driveway or its construction configuration in the easement document or easement drawing.

Based on the description of what is desired to be constructed, we asked for local bids and received one from Southern Classic Construction of Braselton. The drawings are attached and the bid received as well. The proposed cost is \$48,000 for the driveway and retaining wall, and the culvert with rip rap is \$8,500. Staff has requested this to go before Council since it is not contained within the easement agreement.

Regards,

Jerry Hood, EMI

EASEMENT AGREEMENT

STATE OF GEORGIA,
COUNTY OF JACKSON

THIS AGREEMENT made and entered into on this 19 day of October, 2022, by and between NELES, LLC, hereinafter referred to as "Grantor," and CITY OF HOSCHTON, GEORGIA, a municipal corporation of Jackson County, Georgia, hereinafter referred to as "Grantee,"

WITNESSETH: THAT,

For and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration in hand paid by Grantee to Grantor, the receipt and sufficiency whereof is hereby acknowledged, Grantor does hereby give, grant, assign and convey to Grantee, its successors and assigns, an easement as hereinafter defined and delineated:

1.

A temporary right, privilege and easement in, over and across real property owned by Grantor, located in GMD 1047 of Jackson County, Georgia, for the purposes of constructing and installing a water pumping station. The temporary construction easement contains 6,300 square feet designated as "Temporary Construction Easement" on the drawing attached hereto as Exhibit "A" being a drawing prepared by Land Development Surveyors, Inc., dated August 24, 2022. The temporary easement granted hereby shall be as indicated upon said drawing, which is incorporated herewith for the purposes of a more complete description.

2.

The temporary easement for construction purposes only shall be for the purpose of enabling Grantor to store equipment, deposit excavation soil and for any other purpose or purposes which Grantee may deem reasonably necessary or appropriate during the construction of the water pumping station referenced herein. The duration of said temporary easement shall be for eighteen (18) months or completion of construction of the water pumping station, whichever first occurs. Thereafter, the temporary construction easement granted hereby shall cease and terminate and have no further force or effect.

3.

In constructing the pumping station hereinbefore referred to, the work shall be done in a good and workmanlike manner by the Grantee, and upon completion thereof the Grantee shall leave the premises of Grantor in reasonably clean and good condition and will restore the same to the extent that is reasonably possible.

4.

In addition to the temporary easement granted herein, Grantor has contemporaneously conveyed to Grantee a permanent utility easement (hereafter "Pump Station Site") adjacent to the temporary easements for location of a water pump station. Said Pump Station Site contains 3,600 square feet as shown on the drawing attached hereto as Exhibit "A" being a drawing prepared by Land Development Surveyors, Inc., dated August 24, 2022. The detailed description of said site is as follows:

All that tract or parcel of land lying and being in Georgia Militia district 1047, City of Hoschton, Jackson County, Georgia and being more particularly described as follows:

To find the True Point of Beginning, begin at a Point formed by the intersection of the Southerly Right-of-Way of Amy Industrial Lane (apparent 60' Right-of-Way) and Westerly Right-of-Way of Jackson Trail Road; THENCE leaving said Point and traveling along said Southerly Right-of-Way of Amy Industrial Lane in a Northwesterly direction for a distance of 837.49 feet to a Point; said Point being The True Point of Beginning.

THENCE from said Point as thus established and leaving said Right-of-Way, South 37 degrees 53 minutes 36 seconds West for a distance of 60.00 feet to a Point; THENCE South 37 degrees 54 minutes 05 seconds West for a distance of 40.00 feet to a Point; THENCE North 52 degrees 47 minutes 57 seconds

West for distance of 75.00 feet to a Point; THENCE North 37 degrees 53 minutes 36 seconds East for distance of 40.00 feet to a Point; THENCE South 52 degrees 47 minutes 57 seconds East for a distance of 65.00 feet to a Point; THENCE North 37 degrees 53 minutes 36 seconds East for distance of 60.00 feet to a Point along the Southerly Right-of-Way of Amy Industrial Lane; THENCE along said Right-of-Way, South 52 degrees 47 minutes 57 seconds East for a distance of 10.00 feet to a Point, said point being The True Point of Beginning.

Said property contains 3,600 square feet or 0.083 Acres, including easements within

In giving this easement, GRANTOR warrants and represents that there are no other parties with any interest in the property, and the property is free and clear of any liens or security interests.

In consideration of the temporary and permanent easement, the City does convey three (3) water taps (capacity fees or the right to connect) not to exceed 5,000 gallons per month each.

The parties hereto have caused their respective names and seals to be hereunto affixed on the day and year first above written.

**Subject: Re: HOSCHTON BOOSTER PUMP STATION - NEW ACCESS ROAD AND
RETAINING WALL**

This message was sent from outside your organization. Please proceed with caution.

Jerry-

We could build the wall and extend the driveway culvert.

The wall installed with dirt backfill and gravel drive widened would be \$48k, the culvert install w/rip rap apron, but no headwall or SFES \$8,500.

We could install a concrete drive apron also if interested. \$14,500 3,000 psi 5" depth, broom finish.
