MINUTES

WELCOME AND CALL TO ORDER - Hunter called to order at 3:11

AGENDA APPROVAL – McAlvin moved to approve; second Blankenship

APPROVAL OF MINUTES -July 17, 2025 – Moved by Blankenship; second McAlvin

BUSINESS ITEM

1. **Fall Festival** - October 3-5 - Committee recognized it was too late for it to plan a special event.

2. **Fundraising projects** – Committee will work to design a fundraising opportunity for Jingle Mingle November 21st, perhaps a silent auction or raffle item.

3. **Archive future** – Concern was raised about the online-catalog as so few items have been donated. Hunter said it might be a better situation having a physical location for the HPC Archive to improve its visibility for residents. The Darby Building was then suggested as a location once it was restored for use. A motion was then made: Blankenship moved to end the online-catalog, putting the archive in the Darby Building, and using money paid annually to Atrium to furnish the Darby Building. Tanner seconded. Passed unanimously. The proposal would be presented to the DDA in November.

4. **Workday** – Committee will schedule 1-2 workdays by the end of the year aiming to clean up current archive room and list the archive furnishings in the room.

OTHER BUSINESS (As Needed) - Suggested a December Holiday Gathering of the committee members – celebration, not a meeting.
